The Purple Onion has one of the longest bars in the state of Sinaloa and serves the coldest beer in town, with a large variety of mixed drinks, all at a reasonable price. Our kitchen serves International Cuisine. The best BBQ ribs in Mazatlan and our rib-eye steaks are "as good as the best and better than the rest", plus a variety of excellent seafood, all served up by the greatest bilingual staff in town. Jimmy Buffett doesn't own a bar in Mazatlan, but if he did, it would be like, the "Purple Onion."
